said rib also being operable for being looped back upon itself and twisted for the frame to assume a more compact configuration for storage.

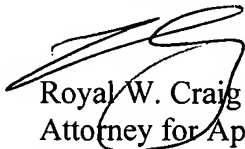

R E M A R K S

This second preliminary amendment is being submitted prior to examination on the merits and subsequent to a first preliminary amendment filed on December 6, 2005.

Claims 29 to 39 are herein being cancelled and new claims 40 to 51 are added. Thus claims 40-51 remain pending. The undersigned states that the claims include no new matter, nor is new matter intended by the Applicant, and it is believed proper to include these changes by preliminary amendment.

A Notice to this effect is respectfully requested, and the Examiner is invited to call the undersigned at 410.347.7303 to discuss any issues.

Respectfully submitted,

Royal W. Craig
